

std::ostream

```
graph BT; A[ecto::py::streambuf<br/>::ostream] --> B[std::ostream]
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a gray rectangular box containing the text 'ecto::py::streambuf' followed by '::ostream' on a new line. A solid blue arrow points vertically upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text 'std::ostream'. This visualizes that 'ecto::py::streambuf' inherits from 'std::ostream'.

ecto::py::streambuf
::ostream
