```

The diagram illustrates a dependency structure. At the top, a gray rectangular box contains three file paths: /home/vrabaud/workspace, /recognition_kitchen/src, and /ecto/include/ecto/util.hpp. Three blue arrows originate from the bottom edge of this box and point downwards to three separate white rectangular boxes. The leftmost box contains the text 'iostream', the middle box contains 'typeid', and the rightmost box contains 'string'.
