The diagram illustrates a file dependency structure. At the top, a grey rectangular box contains the file path: `/home/vrabaud/workspace/recognition_kitchen_groovy/src/ecto/include/ecto/python/raw_constructor.hpp`. Three dark blue arrows originate from the bottom edge of this box and point downwards to three separate white rectangular boxes. The first arrow points to the leftmost box containing `boost/python.hpp`. The second arrow points to the middle box containing `boost/python/raw_function.hpp`. The third arrow points to the rightmost box containing `boost/python/detail/api_placeholder.hpp`.
